Response To Restriction Requirement

REMARKS

In reply to the Restriction Requirement mailed September 17, 2004, Applicant elects Group I, claims 1, 2 and 7-15.

The requirement is traversed on the grounds that the subject matter of the non-elected claims is sufficiently related to the elected claims that search and examination of all the claims is not unduly burdensome in view of the fact Applicant has already paid for examination of all claims. Reconsideration is requested.

The claims have been restated herein to reflect the status (original or withdrawn) without prejudice to the request for reconsideration. No amendments have been made.

Respectfully submitted,

VIDAS, ARRETT & STEINKRAUS
